

## **2021 CARS SLM Tour Hard Card**

**What is a HARD CARD?** The HARD CARD is a card with an assigned serial number that will allow the card holder to get into each race event without having to pay the pit pass fee on a per event basis. At each event there will be a separate line for HARD CARD holders. Once the card has been presented at Pit Pass sign in you must still sign the waiver and get an arm band. Think of it as the Express Lane at the amusement park!

**Who is eligible for a HARD CARD?** Every team/organization is eligible to purchase a HARD CARD.

**What are the benefits of purchasing a HARD CARD?** Some of the benefits include cost efficiency and convenience. Pit passes cost at least \$45 per person at every event, special events cost more. It will cost at least \$495 if you purchase a pit pass individually for all nine events. The HARD CARD is only \$420 and that provides a pit pass to every race. That is a minimum of \$45 savings or one race free! It is also convenient because there is less of a wait time in line. HARD CARD holders will have their own private Pit Pass sign-in line so there will be no waiting in line for someone trying to figure out how many pit passes they will need for the weekend or writing out a check.

**How do you receive a HARD CARD?** Just fill out the attached form and mail it with your payment. You may also email over your form and use your credit/debit card over the phone by calling us at the office (704-662-9212). After your payment has been processed, a confirmation email will be sent to you and your card(s) will be sent to the address you provided.

**Will the HARD CARD be transferable in 2021?** Each HARD CARD will have a serial number assigned to an organization/team. The organization/team then determines who will use the HARD CARD at each event allowing for more flexibility and cost savings for the team. For example, Race Team A knows they will be at each event with at least four people but they do not know if it will always be the same individuals. The HARD CARD can be purchased for four people and be assigned to ANY team member for each event.

**How much does it cost?** The card is \$420.
