

RULE BOOK AMENDMENT

CARSTOUR24-1-2/13/24

TO: ALL CARS TOUR LATE MODEL STOCK CAR AND PRO LATE MODEL OWNERS, CREW CHIEFS AND DRIVERS

Effective February 13, 2024 – The following is an amendment to the 2024 CARS Tour Rule Book.

NOTICE: The CARS Tour Rule Book may be accessed by visiting CARSRacingTour.com.

RACE DAY PROCEDURES

QUALIFYING PROCEDURES

1. through 4. remain the same

5. If the qualifying session is unable to be completed in its entirety, the starting field will be determined by the CARS Tour Owner Point standings. The first **three (3) Events** of 2024 will be based on the final 2023 owners' point standings. In postponed Events where re-qualifying is specified, only the qualifying times established in re-qualifying will be certified as CARS Tour records.

6. The starting field for each Event will be determined via the entry form. ~~The standard 28-car starting field will be determined as follows:~~

~~7. Qualifying positions 1-26 will be determined according to the fastest 26 cars in qualifying~~

~~8. The final two starting positions (27th-28th) will be reserved for the two licensed competitors who have filed a timely entry for the Event and who have the most 2024 owners' points and who have not qualified for the Event through the qualifying session. For the first Event of 2024, the final two starting positions will be determined by 2023 owners' points.~~

~~9. When an Event Entry form states that there will be a larger starting field (29-40) the last two starting positions will always be reserved for the two (2) highest competitors in the 2024 CARS Tour point standings who have not successfully qualified for the Event.~~

Owner/Driver Championship Points System
